HOMER LOOMIS was formerly the admitted organizer of the Columbians, which has been cited by the Attorney General as coming within the purview of Executive Order 9835.

[ ] of The Atlanta Constitution, advised that some years ago when J. B. STONER was residing in Chattanooga, he had occasion to conduct an inquiry concerning him because of STONER's anti-semitic activity in Chattanooga. He stated that this was during World War II and STONER at this

[redacted] stated she has known STONER and MORRIS for about [redacted] years and knew them to be engaged in some kind of political activity, however, she could furnish no information concerning this. [redacted] stated that STONER and MORRIS have some kind of a printing or mimeograph machine which they run all hours of the night.

[redacted] advised she has lived at this address only four or five months and had been in MORRIS' apartment only one time. She advised the place was stacked to the ceiling with books and papers and she would consider it to be a definite fire hazard.

b6

make a politician out of him. She stated that MORRIS does not drink or smoke, but STONER is a gin addict.

EMMETT O'NEIL MORRIS

On January 22, 1943, [redacted]

[redacted] advised that MORRIS had made a great many pro-German statements.

The following signed statements reflect information concerning the Pro-Nazi attitude of EMMETT O'NEIL MORRIS:

"I, [redacted] give the following free and voluntary statement to [redacted] whom I know to be Special Agents of the Federal Bureau of Investigation. No threats, promises or duress have been employed in securing this statement.

"I have known EMMETT O'NEIL MORRIS for approximately [redacted] years, during which time [redacted]

[redacted] From the time of the outbreak of the present war in Europe, he was a strong isolationist. He read all available material in support of his sentiments, and made many statements in this connection. He continued such statements after December 7, 1941. I believe that many of these statements were made as a result of MORRIS' apparent desire to take the minority side on any current issue, purely for the sake of argument. However, the fact remains that he did make many remarks which I, personally, regarded as unpatriotic. Among these were the following: 'Roosevelt is a war monger'; 'Frankfurter and other Jews control Roosevelt'; 'When Hitler comes over here we will do the Jews like they did over there'. I am reasonably sure that the first statement quoted was made by MORRIS both before and after December 7, 1941, and I am positive that the other remarks were so made, although I cannot recall the specific dates. As a matter of fact, MORRIS continued to make these and similar remarks up until the time he left Atlanta in the fall of 1942 to work in Mobile, Alabama. He remained there I believe about two months, after which he returned to Atlanta and resumed his employment on the Journal. Subsequent to his return I have heard him make no remarks in criticism of our war effort.

"I was born [redacted] and am of course subject to induction under the Selective Service System. MORRIS was aware of this at the time he made the above mentioned statements to me or in my presence. While his opinions did not have any effect on my own sentiments, I can imagine that if they were made to persons easily influenced, that they would have had an undesirable effect, inasmuch as they were expressive of severe criticism of our war effort.

"I [redacted] give the following free and voluntary statement to [redacted] whom I know to be Special Agents of the Federal Bureau of Investigation. No threats, promises or duress were employed in securing this statement.

"I have known EMMETT O'NEIL MORRIS for about [redacted] years, during which time [redacted]  
From the time of the outbreak of the present war in Europe, that is, from about September, 1939, MORRIS was a rabid isolationist, and a great admirer of [redacted] and other prominent isolationists. In this connection, he read all the isolationist propaganda he could secure, and expressed himself strongly on every possible occasion as being in complete sympathy with isolationist aims.

"In December, 1941, when the Japanese attacked Pearl Harbor, and we became involved in the war, I thought that MORRIS would cease his bitter remarks, but instead, he began to make even more violent statements. Although I cannot specify the exact time of the following statements, they were all made by MORRIS subsequent to our entry into the war.

'HITLER is the smartest and finest man in the world.'  
'Germany is right.'  
'I want this country licked.'  
'The God-damned British want us to do their fighting.'  
'Germany is trying to save the world from Communism.'

"MORRIS also bitterly condemned President ROOSEVELT on a number of occasions referring to him in low and obscene terms. He continually made statements in criticism of England and Russia, and in favor of Germany, which I cannot recall in specific language. I do remember that MORRIS remarked, subsequent to our entry into the war, that 'I wouldn't fight for ROOSEVELT or the damned British.'

AT 100-4976

"I believe it was in September of this year, 1942, that MORRIS temporarily left his employment with the Journal and went to Mobile, Alabama, where he worked in a shipyard. He returned about five weeks later, and since his return I have heard him make no statements whatsoever in criticism of this government or of the war effort.

"I have read the foregoing statement, consisting of one typewritten page, and it is true to the best of my knowledge. In witness of this I affix my signature to this statement.

"I have known EMMETT O'NEIL MORRIS for [redacted] years, during which time [redacted] He expressed himself as an isolationist as far back as the outbreak of the present war in Europe. I personally have heard him make the following statements on more than one occasion, some of which were subsequent to our entry into the present war: 'I would not fight for ROOSEVELT or the damned British'; 'The Germans are select people'; 'That God-damned ROOSEVELT doesn't know what he's doing'; and 'Germany is trying to save the world from Communism'.

"MORRIS seems to have quieted down a lot recently, and I have heard him make no statements in criticism of the government or our war effort since about November 1, 1942. I think that MORRIS is somewhat unstable, mentally and that he is not entirely responsible for the statements he made. However, if his arguments or remarks had been heard by persons easily influenced, they might have had a bad influence. His continual remarks and arguments were, in my opinion, very unpatriotic, although I cannot remember all his statements specifically enough to quote them.

"I have known EMMETT O'NEIL MORRIS for about [redacted] years during which time [redacted] About October, 1939 MORRIS stated 'I hope Germany defeats England and wipes England off the face of the earth.' Sometime during the summer of 1940 MORRIS stated, 'I would not fight for England'. He made several remarks like these which I cannot recall. [ ] stated from his reading he was convinced that all Jews were Communists and that they and the negroes were to take over the United States. He also advised he could tell if a person were a Jew or a Communist just by looking at him. He was unable to elaborate on his ability to do this, but nevertheless maintained that he could. He continued that although he formerly held such beliefs he later, through additional reading, learned that he was in error to some degree and his enthusiasm to advise the people of the facts waned.

b6

At this time he expressed concern over the fact that his past activities, as stated above, might prevent him from being accepted by the United States Navy. He stated that he intended to enlist in the navy in the spring of 1951 rather than be drafted into the army.

[ ] former schoolmate of [ ] at Marist Academy and College, advised that he has known [ ] since grammar school. He related that [ ] first started talking about "white supremacy" around 1946, about the same time the Columbians, Inc. came into existence. By letter postmarked September 11, 1951 to the Commanding Officer of the United States Naval Air Station [ ] wrote as follows:

"Dear Sir:

"I have been in the Naval Air Reserve for the past two months now, and I like Navy life very much. But there is one thing I would like to see corrected in the N. A. R. This is the matter of niggers mixing with whites at the base. (A colored person becomes a nigger when he forces himself into mixture with whites.)

"I have seen only one nigger in the N. A. R., and it is a good thing he is not in Sq. VR-672. I have already talked this matter over with many of the boys in the Naval Air Reserve, and everyone of them has agreed with me that this nigger should either enter an all colored Sq., or resign, or the proper authorities should discharge him.

"Since this is supposed to be a 'Democratic' country, perhaps I should take up a petition among the White boys in the N. A. R. to have this nigger discharged. Of course majority opinion would rule. Please let me hear

AT 100-4976

what you think of this situation.

"Of course, this Racial trouble has been brought about by traitors who govern this Nation. They are headed by old Pendergast gangster TRUMAN, and our Communist Sec. of State, DEAN ASH CAN, and the doddling old fool MARSHALL, who takes orders from the lousey Jewess ANNA ROSENBERG.

"But ANNA ROSENBERG is the main one. This Satanic weasly little Jewess, is head of our White Christian manpower, so that she can get her fellow Jews out of military service, while at the same time she mixes us whites with inferior races, and sends us all over the world as U. N. Policemen to fight and die, while her own filthy people make money off these wars and the miseries of our white people.

"It is up to you and I individually to fight the jews and protect this Nation. We must inform our friends of the truth, and organize for action, before it is to late.

"We must expose, discredit, and ultimately destroy (politically) these cancerous vermin. All jews from ANNA ROSENBERG, KIKE EISENHOWER, etc., to their jew stooges, TRUMAN, MARSHALL, ASH CAN, etc., must be kicked out of office, and quickly

"We must protect our country from the Communist Jews abroad and the Communist Jew stooges in Washington, and we can best do this by informing our fellow Navy officers and men of these truths and, politically, by following the patriotic and dynamic leadership of Crusaders like General L. K. SMITH and the Christian Nationalist Movement.

"Inclosed is one of my recent Anti-Jewish efforts.

"I am yours for a White Christian America

An article appeared in the Atlanta Constitution on August 27, 1946, entitled "Preserve White South, Columbian Leader Shouts." The contents of said article reflects some 300 residents of East Point, "who gathered in their city auditorium last night for the 'truth' the newspapers will not print, heard a 31 year old railroad draftsman introduce racial prejudice in the name of preserving 'the traditions and ideals of a white South.' The speaker was small, slender Emory Burke, President of the recently chartered Columbians, Inc., 'the long awaited white man's movement to save first the South and then the nation.'"

On November 18, 1946, BURKE was arrested on a charge of misdemeanor. On February 27, 1947, he was sentenced in the Fulton County Criminal Court to twelve months each on four counts of usurping police power, sentences to be served consecutively on each count. Prior to this trial he was arrested December 14, 1946, on a charge of riot - misdemeanor (unlawful possession of dynamite). This charge was transferred to the Criminal Court. BURKE was paroled on August 22, 1951.

#### PROPAGANDA

Numerous complaints have been received from individuals who have received the following propaganda from the Christian Anti-Jewish Party, on a three by five card, which is set forth as follows:

#### DESTROY COMMUNISM

"This is a patriotic political Party which believes that our America will be freed from the Jews. Our Freedom will be won in a legal and political way. When our candidates are elected to Public Office, Anti-Jewish Laws

AT 100-4976

and Constitutional Amendments will be enacted that will Free our Country from the Jews forever.

"Our Party stands for:

"CHRISTIANITY	The White Race
"American Independence	No Foreign Immigration, Except Pure White
"American Nationalism	Removal of Jew Control of the Press, etc.
"A Free America	Upholding the U. S. Constitution
"NO world government	Free Enterprise and High Wages
"NO United Nations	Large Old Age Pensions
"NO More Foreign Aid	Lower Federal Taxes Lower Income Taxes

"Nations that receive American Military Protection must pay for it and supply us with troops—then our Taxes can be greatly reduced and many American lives saved. Racial Segregation in preparation for giving all Africans in America a rich Country of their own in Africa.

" DEPORT THE COMMUNISTS

"Our Party is against Communism. Communism is Jewish! Communism is a Jew plot to destroy us and conquer the world. Revolutions, wars, internationalism, economic chaos, inflations, starvations, unemployment and depressions are deliberately designed by the Jews to promote their communistic conspiracy. In every communist Country, the Jews are the ruling race. Our Party proposes for the Government to deport all communists to Palestine. Without the Jews there would be NO communism.

" CHRISTIANITY IS ANTI-JEWISH

"The HOLY BIBLE says we Christians are GOD's Chosen People, not the Jews. The Jews are the children of the devil. All Christians are due to be against the Jew-devils because they are GOD's worst enemies in this world. The BIBLE is True. Also, open the BIBLE and see what verses 14-16 of Chapter 2 of I Thessalonians and verses 44-48 of Chapter 8 of St. John say against the Jews.

" FREE AMERICA FROM THE JEWS

"Anti-Jewism is a leading Christian virtue and an essential American virtue. Our Party believes in Anti-Jewism. Anti-Jewism says that America rightfully belongs to us Americans, not to the Jews; Jew-devils have NO place in a Christian Country. Since the Jews now have a Country of their own—Palestine—let them go to it. When the Jews are gone, we Americans will own rich America.

AT 100-4976

"

### WE WANT OUR MONEY BACK

"The Jews have our money and we want it back. When we get it back, we will then enjoy a genuine and lasting prosperity, with plenty for all. Why should Americans suffer poverty in a rich land of plenty while the hoggish Jews wallow in luxury? And why should we Americans go hungry while the greedy Jews hoard our dollars? All fair-minded people know it is not right for the Jews to have a monopoly of our money and wealth. Our Party demands that the American Government expel the Jews to Palestine and confiscate their ill-gotten wealth for the benefit of the American people. Money, gold, businesses and property that the Jews unrighteously possess will be legally taken by the United States Government and given to us. The Jews have too much money; but soon, it will be ours!

"

### ARE YOU A REAL AMERICAN?

"If you are a White Christian American and desire to serve CHRISTIANITY and America by joining our patriotic Party, sign, enclose and mail to the CHRISTIAN ANTI-JEWISH PARTY, P. O. Box 48, Atlanta, Ga. or P. O. Box 2401, Birmingham, Alabama. Headquarters in Atlanta. Information will then be sent telling how to apply for membership. NO cowards wanted!

"Name \_\_\_\_\_ Phone \_\_\_\_\_  
"Address \_\_\_\_\_ County \_\_\_\_\_  
"City \_\_\_\_\_ State \_\_\_\_\_

"Remember: Those people that support the Jews are followers of Judas Iscariot!

### "VOTE ANTI-JEWISH"

The above card was accompanied by a throw away, as follows:

"

### JEW BEHIND RACE MIXING

"'JEWISH LIFE', official organ of the Jewish section of the Communist Party, in its June, 1950 issue on page 8, states:

"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future."

AT 100-4976

"It has surprised some people to find out that the president of the National Association for the Advancement of Colored People (NAACP) is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

"The NAACP is sponsoring suits all over the country and in the U. S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

"A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

"America must awaken to the Jew attack against White People!

"For more information on the Jew menace to the White Race write:

Also, for the information of all offices, JESSE B. b7D

One copy of the [redacted] being forwarded to the Bureau as enclosures with this letter. One copy of the [redacted] are being forwarded to the appropriate office wherein the individual resides, and it is felt that all names warrant indexing.

The Bureau and all offices' attention is directed to Bureau airtel to Memphis, copies to some southern offices, dated 5/28/58, entitled "CHRISTIAN ANTI-JEWISH PARTY, IS - X". which reads:

"As you are aware, the Birmingham Police Department recovered a bag containing unexploded dynamite at the scene of the attempted bombing of the Temple Beth-El in Birmingham. This bag contained a piece of cardboard and examination by the Bureau Laboratory reflected two latent fingerprints of value for comparison purposes on this cardboard. Photographic copies of these latent fingerprints have been retained by the Bureau.

"Although the Bureau is not investigating the recent bombings in the South, it is pertinent in connection with the investigation of the Christian Anti-Jewish Party (CAJP) to compare the fingerprints of logical individuals associated with Stoner and the CAJP with the fingerprints obtained by the Birmingham Police Department.

*Lee is not  
a known  
member nor  
close associ-  
ate of Stoner*

"Accordingly, all offices are instructed to review their files to identify all known members of the CAJP and other logical individuals such as close associates of Stoner. In instances where your files reflect that these individuals have FBI numbers, local arrest or other appropriate identifying numbers, submit the names of such individuals to the Bureau together with the appropriate identifying numbers in order that the fingerprints of such individuals may be checked against those obtained at the site of the attempted Birmingham bombing. Where your files reflect that logical individuals do not have appropriate identifying numbers, furnish the Bureau with appropriate background data re such individuals, including data re date of birth, race, sex, residence and occupation in order that a name check of Identification Division records may be conducted. In nearly all instances such background data will be available in your files. Where such data is not so available, obtain same through credit checks. If your files reflect that an individual whose fingerprints should logically be checked resides in another field division, set forth a lead for the pertinent office to obtain the desired data. Do not conduct any overt inquiries, including contacts with police departments, to obtain this information and caution any office having leads in this matter accordingly. Submit such data immediately under the caption

"Stoner, who is residing in Dublin, Georgia, reportedly has stated he must lay low until at least June 1 to avoid arrest and that he has another job due soon. For the information of all offices Savannah was instructed by teletype May 27, 1958, to institute intensified coverage of Stoner immediately including use of informants or other type coverage in order to be aware of his activities on a day-to-day basis. Savannah was instructed to institute fisur to cover his activities, if necessary, but that fisur must be discreet to avoid embarrassment to the Bureau. Savannah advised on May 28, 1958, that Stoner will not be working on May 30, 1958, and fisur will be instituted.

"Offices covering residences of individuals known to have been affiliated with CAJP or Stoner are instructed to obtain immediately informant or other type coverage of these individuals in order that all pertinent activities on their part will be known to your offices. This investigation must be pressed vigorously.

"It is reiterated that the investigation of Stoner and others is for the purpose of determining if they are engaged in activities which would bring them within the purview of Executive Order 10450."

CE 105-217

In view of the above instructions, the Bureau may desire to compare the fingerprints of the individuals contained in the application and notebook, if available, with the two latent fingerprints which were recovered by the Birmingham Police Department at the scene of the attempted bombing of the Temple Beth-El in Birmingham. In this regard, it is noted that the application and notebook contain the individual's name, date of birth, residence and occupation, and it is believed that all of the individuals will be members of the white race.

The Bureau's attention is also directed to Charlotte letter to Bureau, attention FBI Laboratory - Mechanical Section, dated 9/3/59, entitled "JESSE B. Re Charlotte let to Director 10/6/59.

The only name furnished to the San Francisco Office as a person possibly connected with the subject organization because of its possession by JESSE B. STONER was that of JOHN FRANCIS LEE, 97 Murray Street, San Francisco. This name was in a looseleaf notebook. The pertinent page bore the date 10/14/53 and identified LEE as retired and a former city employee who was born 6/24/86. The significance of the names in the notebook is not known.

San Francisco indices contain no information on LEE other than that provided by the Cincinnati and New York Offices. A leaflet received by Cincinnati, 6/10/57, identified JOHN FRANCIS LEE, 97 Murray Street, San Francisco, as a member of the COMMITTEE FOR THE RESURRECTION OF THE CONSTITUTION. New York let to the Bureau 6/10/59 entitled "NATIONAL RENAISSANCE PARTY" listed JOHN FRANCIS LEE, 97 Murray St., San Francisco, as having contributed \$1.00 toward membership, \$2.00 for a subscription and \$6.00 as a contribution, to the NATIONAL RENAISSANCE PARTY. In this letter the NATIONAL RENAISSANCE PARTY is characterized by [redacted] as anti-Semitic, anti-Negro, neo-Fascist, with activity largely confined to the New York area.

Records of the Retailers Credit Association, San Francisco, and the Credit Bureau of San Francisco, Inc., as checked by IC [redacted] contain no data on JOHN FRANCIS LEE other than the fact he is a brother of JOSEPH A. LEE, same address, 97 Murray St., San Francisco, a retired court reporter formerly with the San Francisco Police Department. There is no record on JOSEPH A. LEE in the San Francisco indices. He is listed in the San Francisco telephone directory. JOHN FRANCIS LEE is not.

The Atlanta Office and the Bureau are requested to advise if there is any objection to interviewing JOHN FRANCIS LEE, assuming he exists.

CRIMINAL JUSTICE DIVISION

By letters dated 10/8/83 and 11/29/83, the Charlotte Office furnished various divisions with data found in the possession of J. B. Stoner. Appropriate officers were to identify identification records for Stoner's contacts in order that fingerprint comparisons could be made with latent fingerprints recovered at the scene of the attempted bombing of Temple Beth-El in Birmingham, 4/28/83.

A review of the Bureau's file indicates that offices receiving copies of this communication have not yet completed their leads.

Atlanta, as office of origin, should closely follow and coordinate, and all offices should bring to a logical conclusion at as early date, no later than 1/15/84.

It is only intended that a reasonable effort be made to locate fingerprints for comparison. It is not intended that these individuals be subject to continuing investigation on the basis of their association with Stoner in the absence of some definite indication that they have a potential for violence.

RACIAL MATTERS

OO: ATLANTA

ReBulet 1/4/60 and Atlanta letter to the Director 1/6/60 regarding interview of JOHN FRANCIS LEE, whose name and address were found in the possessions of JESSE B. STONER, founder of the CAJP, by the Charlotte Office on 9/4/59.

Upon interview at 97 Murray Street, San Francisco, 1/13/60, by SA [redacted] it was found that JOHN FRANCIS LEE, age 73, resides at this address with his brother, JOSEPH A. LEE, age 66, who is married to ZENA LEE, the only other occupant of the house. The two brothers are retired San Francisco Civil Service employees. JOSEPH LEE claims to have been Secretary to the San Francisco Chief of Police prior to retirement. From observation it appears that JOHN LEE is somewhat senile and has a persistent pre-occupation with all things which in his opinion are whittling away at the American Government and its sovereignty. He sits staring rather vacantly, frequently plastering his hair down on his head and forehead. It is doubtful that he comprehends his actions or questions put to him. His brother, JOSEPH, is the more normal and lucid of the two. He has the habit of speaking for JOHN, but tried to get direct answers where requested. b6 b7C

From their conversations, both brothers have a phobia of Jews in general, particularly in Government, of the United Nations, Communism, Income Tax and Foreign Aid. They are rabidly pro-American and pro-FBI. They hold the Director in high regard. JOHN LEE said that he does not and has never considered himself to be a member of the Committee for the Resurrection of the Constitution, the National Renaissance Party or the Christian Anti-Jewish Party. He would not admit to having corresponded with the organizations or donating to them but while he was out of the room his brother, JOSEPH, said that JOHN often writes letters on his own, didn't retain copies and would not tell him he had written. Both admitted receiving a considerable quantity of literature opposing communism, the income tax, etc., including "The Cross and The Flag" of GERALD L. K. SMITH.

WEDNESDAY JAN 27 1960

About 2 of the best Police Organizations that San Francisco ever had were the Vigilance Committee from 1850 to 1860 they sure made the hoodlums and Criminals of that time. One thing about them they always caught them in the act. If they tried to use any weapons the Vigilance Committee shot them down they cleaned up the criminal element of their day. They made up the Judge, Jury, and Prosecutors. At times I think San Francisco citizens ought to be allowed to form a Vigilance Committee using mostly tear gas and Clubs. Over come them with tear gas. Have 2 Policemen to lead them and ring up for the Patrol Wagon. I would recommend a couple of welts across their rear ends. Repeat the performance each time when they are caught committing a crime on our streets. The Federal Bureau of Investigation makes the Crooks and Hoodlums sit up and take notice. I would say after 73 years as a resident of San Francisco that The F.B.I. and the old Vigilance Committee were the best Police Organizations this City ever had. I am not ridiculing our Regular Police force they are trying their best some of the have been killed in line of Duty. In France if a criminal kills or makes an attempt on the life of a Gendarme or French Cop. He goes to the Guillotine and has his head cut off without a trial. In England is just the same. England does not tolerate the 3rd Amendment but America does tolerate it. Yours truly for a crime free America

The African race in America is a victim of the Jews. The Jews hate the Africans as well as us Whites; they want to destroy both races through mongrelization. However, they are naturally willing to use the Negroes for their own purposes.

# JEWS BEHIND RACE MIXING

"JEWISH LIFE", official organ of the Jewish section of the Communist party, in its June, 1950 issue on page 8, states:

"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future."

It has surprised some people to find out that the president of the National Association for the Advancement of Colored People (NAACP) is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

The NAACP is sponsoring suits all over the country and in the U. S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

America must awaken to the Jew attack against White People!
